Mrs. General Sooter is able to be up again after a long spell of sickness.

SAYS HE IS CURED PERMANENTLY OF CANCER

W. H. Duncan of Sheldon, Mo., Was Treated by Dr. O. A. Johnson Ten Years Ago.

Ten years ago Mr. W. H. Duncan of Sheldon, Mo., had a bad cancer on the back of his neck. He was treated by Dr. O. A. Johnson of 1324 Main St., Kansas City, Mo. Mr. Duncan states:

"It has now been ten years since Dr. Johnson cured me of cancer on the back of the neck. I have never had any symptoms of return whatever, and am enjoying perfect health. I feel now like I am permanently cured."

"I cannot speak too highly of his method of curing cancer, and anyone afflicted with one I would advise to consult him before treating them, for if they can be cured at all Dr. Johnson certainly can do the work."

Dr. Johnson is today one of the foremost in the study of cancer. He conducts in Kansas City, Mo., a large fully equipped Research Laboratory, and has treated many sufferers in the past twenty years. This treatment is entirely non-surgical, as the knife is not used at any stage. Purely medical measures only are employed; that is, external applications to destroy the cancer and internal medication to purify the blood. Hundreds of patients testify to the success of the Johnson Laboratory.

"Cancer Truths." Dr. Johnson's book will be sent free to any sufferer or friend. Delay should be avoided. Address Dr. O. A. Johnson, Suite 524, 1324 Main St., Kansas City, Mo., d&wtf

BUTTERFIELD

It is reported that the movement of strawberries will begin between the 20th and 25th.

A couple of deals were closed last week by which the title to 20 acres of land passed from Thos. Ferguson to Geo. Thomas and 20 acres from Oscar Holder to Ferguson. Tom says he would as leave buy land as to sell it.

Class Jerries our genial cashier of the bank is sporting a new Dodge auto. Mr. McCoach sells cold drinks and furnishes water for the players at the ball grounds.

A Mr. Falker of Kansas City was here last week looking for a location.

About twenty-five of the I. O. O. F. boys from Purdy visited our lodge, Thursday night of last week and did some fine degree work. We were glad to have the boys with us and hope they will come again.

A Mother's program was rendered Sunday night to a large and appreciative audience at the Union church. The hearty applause at the conclusion of each number on the program was very encouraging to the performers and proved that the one hour and thirty minutes was pleasantly spent.

D. A. Utter and wife are visiting their daughters Mrs. Lewis Ferguson and Mrs. Oscar Prier.

The Butterfield and Washburn ball teams crossed bats at this place Sunday afternoon. A lack of practice made the game a little tame and allowed the scores to run rather high, 16 to 17 in favor of the visitors.

The visiting team was a nice bunch of boys and played a clean game, but some of the youngsters that rooted for both teams used language that smacked strongly of vulgarity and should not be tolerated. There are people that care nothing for modesty and they should not be allowed to pollute a ball game any more than any other public gathering.

Mrs. Thos. Ferguson went to Republic Monday night for a week's visit with relatives.

"Rooting" for your ball team is all right, the game would not be so interesting without it, but when a bunch of ruffians and fighting sized sports accompany a ball team and resort to ridicule and to making all kinds of slightly vulgar remarks about the town and people in general they need their "gob trap" smashed till it won't work.

When our boys visit a town, we hope they will not be disgraced by any of the above mentioned class if there should be any in our community.

Our ball team has expressed a willingness to back the officers in starting a crusade against any and all rude, reckless, profane or vulgar language or conduct at the games. If the atmosphere at a ball game can be made a little more pure it will serve to lessen the opposition to the sport as most people enjoy the game and many would attend who do not on account of the ugly degrading feature.

MR. AUTO MAN

We are now in our new building, 203-205 Broadway. We are prepared to store your car. We can take care of all your tire and battery trouble. We have a real line of tires, tubes and tire sundries. We will give you service with it. We will appreciate a part of your business. 55tf ATKISSON & SPAIN
